PUBLICITY AND PUBLIC NOTIFICATION OF SPECIAL EVENTS

Sponsors are advised not to publicize proposed street and sidewalk uses until after receipt of the permit from PBOT to avoid publication of misinformation. Sponsors who disregard this precaution shall not receive special consideration in determining approval for the proposed street and sidewalk uses because of advance preparation or the expenditure of money.

A precondition for receipt of a special event permit is public notification and signage.

Sponsors of athletic, large parades, and other uses with a closed course shall notify residential complexes, neighborhood groups, businesses and churches which will be affected by the street and sidewalk use (signature form enclosed). **The notification shall be made not more than fourteen (14) days and not less than six (6) days before the street and sidewalk use date.** The notification shall be in writing and shall include the name and telephone number of the appropriate City official to contact in case of questions or concerns. All public notifications must be reviewed by the Special Events program prior to distribution. Delivery confirmation/signatures need to be provided no less than 5 days prior to the event date. **Additionally, you may be required to post signage at and around major intersections.**

PUBLIC NOTIFICATION STRATEGIES AND RESOURCES

In addition to notifying residential complexes, neighborhood groups, businesses and churches, it is a good idea to notify the public at large. Outlined below are a few ways that you can let the public know about your event. T

Neighborhood Associations (use notification form – see sample, enclosed):

To contact the local neighborhood association please go to the Office of Neighborhood Involvement's "Searchable Neighborhood Directory" at: <http://www.portlandonline.com/oni/search/>

If you are unsure of which neighborhood association your event is in, please go to the "Citywide Neighborhood Maps" at:

<http://www.portlandonline.com/oni/index.cfm?c=35788>

Free TV and online notifications:

- **Submit a PSA of street closures on "City of Portland" TV (Portland Community Media, Channels 11, 22, 23, 29, or 30) public access channels**

Hate groups across the nation are planning anti Muslim actions on June 10th.
We must not let this happen in our city!
We will not let nationalists come to our city and make our Muslim neighbors feel unsafe, we will resist!

Permit request

To: Allison.Madsen@portlandoregon.gov

<https://www.oregonlaws.org/ors/163.472>

My intention is that I would like to print physical signs containing nudity of myself and my ex wife meagan vance. It is not illegal to print revenge porn on a poster or billboard as a form of protest under the law, however if people do post an image of the pornography of the image on the internet they can be charged with the revenge porn law. The images will contain the words "revenge porn is illegal" and "fuck feminism", and i will then submit all people who the district attorneys office, and file a civil suit against them. I will distribute these images that I own the copyright of to Trump supporters at the next Trump Free Speech rally this weekend, as well as to Trump Free Speech protestors the day of the rose festival parade.

Otherwise I would like to perform a protest of the law, by setting myself on fire with 1 gallon of Hydrogen Peroxide and 1 gallon of gasoline, while I wear thick clothing to soak it all up. This should provide no danger to people nearby as it is not explosive, and the act should be considered an expressive form of protected speech.
